

## Working Experience in Ireland!

My name is Patricia Cash living in Wexford in the south east of Ireland.

We live on a farm, my husband Hugh is a farmer we have 2 children Laura aged 20 and Owen aged 14

Our farm is a tillage and suckler to beef. We have been accepting farming students from Teagasc ( Irish training of Farmers ) for over 30 years .We have also been accepting students from UCD College Dublin ( University students studying Agriculture science ) for 25 years. Our daughter Laura is in UCD studying Agriculture science.

For 10 years we have been accepting foreign students mainly from France & Germany who have completed their internship on our farm. We have built up a good relationship with these Agricultural colleges.

Students have found the experience very good both working on the farm and the Irish Culture. We are happy to accept students all the year round as they will gain experience in the following area

Jan -Mar Cows calving, looking after the Winter crops -Wheat, Rye, Oil Seed Rape

Mar -April -Sowing the spring Crops -Spring barley for malting, Oats, Looking after Animals

April -June -Looking after Animals -Cutting Silage July -Sept -Harvesting Winter crops & Spring crops

Sept -October-sowing winter crops

We have accommodation on the farm and all food will be provided.

We live near beautiful beaches

We would be delighted to accept students from your college

If you need more information please come back to us
