## NTU PLUS Academy

*I grew more as a person in these six weeks than entire years. I'll never forget my time in Taiwan.*

*--- Steven H., University of Southern California, USA*

Managed by the Office of International Affairs (OIA), the **NTU Plus Academy curates over 20 short-term programs for international students.** Through these programs, the NTU Plus Academy enables students from all around the world to expend their learning and explore different cultures.

We offer the **Chinese Language and Culture Program**, which integrates language learning with cultural immersion, as well as **Research Programs** that give you the chance to engage in cutting-edge research with faculty. There are also opportunities to study Natural and Social Sciences and Engineering.

## Chinese Language & Culture Program

### Inclusive Language Learning

Suitable for beginners or those with previous Chinese experience, this program offers language courses at various levels.

### Cultural Immersion

Enhance your classroom learning by engaging with our local students and participating in activities and excursions.

## Research Programs

### Elevate Your Expertise

Join our world-class research teams at the forefront of global innovation. Enhance your skills and knowledge in your chosen field with the guidance of NTU faculty.

### Diverse Fields, Endless Possibilities

You can choose from over 130+ professors across various fields, ensuring you find the right match for your academic and research interests.

## Why NTU Plus Academy?

Our programs **go beyond traditional classroom learning**. Through **field trips and cultural activities**, you will gain in-depth knowledge about different environmental, historical and sociocultural aspects of Taiwan. You will grow to understand how Taiwan's past has shaped its current state and the subtle ways Taiwan fuses foreign cultures with its own.

## Supportive Staff & Student Advisors

Our programs have student advisors who support you during your study abroad experience. **Our dedicated staff collaborates with student advisors to provide you with the support you need**. Whether you're struggling with culture shock or just want recommendations on the best places to eat, we are here to help!
