

Summer semester 2025 timetable 4 semester BSc Ecosystem Sciences Start 14. April  
 Contact: christian.beuter@uni-goettingen.de or Tel: 0551 39 21488

Time/Date	Monday	Tuesday	Wednesday	Thursday	Friday
	Block Introduction: 14.04. to 17.04.25 All lecturers				
	Block A: B.ES.119 Field methods in forest ecology, silviculture and vegetation science 21.04. to 09.05.25 (Details in StudIP)				
	Seidel/Sprengel: Field methods in forest ecology, silviculture   Kreft/Brambach FSR 1.4: Field methods in vegetation science				
	Block B: B.ES.116 Chemical and microbiological methods 12.05. to 30.05.25 (Details in StudIP)				
	Zhang: Chemical and mechanical analysis   Kues/Unger FSR 2.3/2.4: Microbiological and molecular methods				
	Block C: B.ES.118 Soil science and bioclimatology methods 02.06. to 20.06.25 (Details in StudIP)				
	Markwitz/Callejas Rodelas FSR 2.3/field: Bioclimatology field methods (02.06.-20.06.25)   Corre FSR 2.3/field: Soil science field methods (09.06.-17.06.25)				
	Block D: B.ES.117 Physiological and genetic methods 23.06. to 11.07.25 (Details in StudIP)				
	Vu/Cao FSR 2.3: DNA based methods to study biodiversity   Teichert/Muhr: Quantitative Methods to Study Tree Physiology				
	Block Recap-Week: 14.07. to 18.07.25 All lecturers				
16:00-17:00	Wiegand/Meyer FSR 5.1 B.ES.120 Scientific Writing (only on Mondays)				
17:00-18:00
