ACADEMIC MATTERS

AUTUMN SEMESTER: 02.09.2024 - 02.02.2025

ACADEMIC YEAR: 02.09.2024 - 29.06.2025

SPRING SEMESTER: 10.02.2025 - 29.06.2025

Academic calendar	ois2.ut.ee/#/academic-calendar
Lecture period	Usually from the beginning of the semester until the third week of December/end of May
Exam period	Usually from mid-December/May until the end of the semester
Orientation course	Orientation course takes place before the semester starts (in the end of August/in the beginning of February) More information in here: ut.ee/en/orientation-course
Recommended arrival dates	1-2 days before the orientation course starts.

Course catalogue	<p>Link to the Study Information System: https://ois2.ut.ee/#/dashboard</p> <p>Short-term exchange students can choose courses from the Study Information System by setting the criteria in the “detailed search” as: Language of instructions: English Academic year: 2024/2025 Semester: autumn/spring Can be taken by international visiting students</p>
Course selection	Each student is free to select courses from different programmes and faculties (from the course catalogue). However, in the inter-institutional agreement’s partners have mutually fixed ISCED field. So, an incoming student is required to take at least a few courses from the study field fixed in the particular agreement. Student can see their respective ISCED field in the SoleMOVE mobility system (Study information → EU subject area).
UT requirements	At least to the extent of 15 ECTS per semester (except for PhD and traineeship students). One credit point corresponds to 26 hours of studies (lectures, seminars, practice, homework or independent work, assessment of learning outcomes) performed by a student.

Course registration	Study Information System username/password will be sent by the beginning of the semester.
Grading system and credits	<p>ECTS credits.</p> <p>UT uses both a differentiated and a non-differentiated grading system to assess the academic progress of students.</p> <p>Further information: ut.ee/en/courses-taught-english-and-grading</p>
Transcript of Records	It is issued only by student’s request and it is not sent automatically. It is a student’s responsibility to contact dean’s office at the end of the studies and inform them whether the document should be sent by email or by post.

Student hostel

Exchange student can apply for the place in the Student hostel (students who stay in Tartu and Viljandi):

ut.ee/en/welcome/housing

Student can apply for housing during these application periods:

Application period for autumn semester:

JUNE 1- 10

Application period for spring semester:

JANUARY 2-10

- If the studies start any other time, outside semester, the application deadline is not fixed!
- Please note that we cannot guarantee a place in the student hostel for every Erasmus student!

Accommodation at the student hostel is provided ONLY for the fixed period (as the period stated in the student's admission letter).

Students who are nominated to one of UT's regional colleges in Narva or Pärnu will get information about accommodation procedure directly from the college coordinator.

Other housing options

More information in here: ut.ee/en/welcome/housing

Buddies

Buddies are a passionate group of international student volunteers whose role is to help new exchange students adapt to the environment at the UT more generally. Buddies are international students who can provide advice and guidance to short-term exchange students. These are experienced students who know what it is like to come study in Tartu from another country and can offer you firsthand advice online or in-person about how to get settled and alleviate any worries or concerns you might have about making the transition. Erasmus student can request a buddy in the SoleMOVE application form.

Erasmus Student Network

Erasmus Student Network organizes activities for all international students. Further information: esn.ee

Every academic year there is also facebook group created (information will be provided in the admission package).

Cost of living	One needs approximately a minimum of 300–400 EUR per month in order to cover basic expenses in addition to housing costs. More information: studyinestonia.ee/living/living-costs
Green and sustainable study abroad experience	The Green Erasmus Portal has been developed to provide students information on how to be sustainable before, during and after their study abroad experience. From the site you will find tips for green travel, sustainable living and different games and tests to challenge you!
Special needs	Students with disabilities should be mentioned as soon as possible (if possible together with nomination). More information: ut.ee/en/content/counselling-students-special-needs

RESIDENCE ISSUES and HEALTH INSURANCE

EU citizens (including European Economic Area and Swiss Confederation)	EU citizens do not need to apply for visa. EU citizens are allowed to stay in Estonia on the basis of a valid travel document or identity card for the period of up to 3 months. As international students usually stay longer, then they must register themselves as citizens of Tartu and apply for an ID-card. This can be done after arrival to Estonia. More information: tartuwelcomecentre.ee/registry-services
Non-EU citizens	Along with the admission package, students will receive information on how to apply for the long-term (D) visa. More information: ut.ee/en/visainfo
Information about health insurance	<p>EU students: European Health Insurance Card Further information in here.</p> <p>Non-EU students: For long-term (D) visa it is required to have international travel medical insurance which guarantees payment of any costs related to medical treatment due to illness or injury during the validity of the visa, in case of a multiple entry visa until the end of the first intended period of stay. Students can choose any insurance company that offers suitable coverage. Further information: https://ut.ee/en/visainfo</p>
